3.3 The major statutory provisions
3.4 Keeping up to date with legislative changes
References

4 Maintenance Planning
4.1 The scope and nature of planning
4.2 Risk management in planning
4.3 The planning process
4.4 Components of a planning system
4.5 Schedule/contingency systems
4.6 Factors influencing delay time
4.7 Programming problems
4.8 Long-term programmes
4.9 Annual programmes
4.10 Short-term programmes
4.11 Planned inspections
4.12 Network analysis
4.13 Management by objectives (MBO)
4.14 Maintenance audits
